

coaster

hello!

we made this simple to use template just for you (and us).

design your artwork with in the coaster layer. if you need it to bleed make sure that it does not go beyond the grey gutter. all designs must either be black or black plus one color. please separate your artwork with the colors in the corresponding layers. if you have any questions, give us a call 402.742.5415

legal jargon:

by submitting your design for this contest you are granting porridge papers permission to reproduce your artwork in a limited run (under 500) for retail sale and promotional purposes. (not including what we give to you of course)
